Mon 16th Nov – Flu Nasal Spray

Friday 18th December – INSET DAY
Monday 4th January – INSET DAY

Headteacher's Blog

Another busy few weeks of learning in Trerobart! Trish has visited nearly all the classes this term and the children have really engaged with her activities. The children have once again settled back into their class routine since returning from half term, it will be a different type of term for them as there will be no Christmas concerts or events like they are used to, as we are not currently allowed to sing in class. The teachers will be organising different activities this term to celebrate Christmas. Each class will once again be entrepreneurs and will be creating items for you to purchase, the arrangements of how you will view the items and how to buy them, will be shared with you all closer to the time.

Thank you to all families who made a poppy for our window display, thanks also goes to Mrs Watkiss, one of our parent governors, for making all the green stems and lots of poppies to add to our display.

An information sheet will be given out on Monday 16th November, which contains brief information on how your child has settled in their new class. There will be comments on what they are doing well and targets to improve in the core areas of learning. If you have any concerns about your child's progress, please speak to the class teacher. If you child receives additional support, you will also have 2 copies of their IEP. Please sign one and return to school.

If you have any concerns please do not hesitate to contact me. Tracy.buckle@rctcbc.gov.uk
