- Dosbarth Moel Hebog: Frankie Head
- Dosbarth Cadair Idris: Zachary Davies

*Criw Cymraeg Phase of the week:  
Beth wyt ti'n wisgo?*

### Headteacher's Blog

Another busy week of learning in Trerobart! So many children "Moving Up" in Big Maths, congratulations to you all, your hard work and effort is showing.

Teachers are busy preparing activities to be published on the school website which are to be used if you child has to self-isolate. Until they are live, if your child has to isolate, please continue to work on Big Maths, reading and basic skills, for example multiplication tables, handwriting, spelling and simple mathematics, such as addition and subtraction.

There have been many enjoyable mindfulness activities taking place this week, mindful colouring, and yoga and relaxation techniques. Please ask your child about what they enjoy. National Handwashing Day has been celebrated this week; lots of great photographs have been shared. It is so simple yet so important for us all to regularly wash our hands to keep viruses at bay. Please return your flu letter as soon as possible in order for the nurses to collect them and prepare for November 16<sup>th</sup>, the day the children will receive their vaccine. Many thanks.

We have one more week until half term, the children and staff are obviously very tired, but they are all still smiling. Please continue to send them to school, once they arrive and see their friends they find the energy to learn.

Thank you to the many parents who have completed the schoop form in order for us to follow Welsh Government requests in updating your contact lists. Please complete the form before half term if possible.

If you have any concerns please do not hesitate to contact me. [Tracy.buckle@rctcbc.gov.uk](mailto:Tracy.buckle@rctcbc.gov.uk)

Mrs Buckle

### Schoop calendar has all the event dates
