Headteacher Blog

Year 6 had a visit from Pontypridd High School to talk about transition from Primary School to Secondary School. Transition can be a challenging time for pupils for a variety of reasons. Some may have concerns around friendship, or the organisation of the day (knowing which lessons to attend - when and where) or about having multiple teachers throughout the week.

Ways to help your Child

- Encouraging them to talk about how they are feeling and what concerns they may have.
- Helping them connect to their school by visiting on the open evening and looking at the school website.
- Talk to them about building new friendships and relationships.

Move up day

All other pupils will be taking part in Move-up Day next Thursday (30th June). Pupils will spend an hour, between 9.30 and 10.30, in the classroom of their next teacher. The purpose of Move-up day is to try to alleviate any anxieties the pupils may have around change and give them a chance to meet their new teacher and familiarise themselves with their new classroom.

Rule of The Week

We are continuing our focus on positive behaviours, and this week's rule is:

We respect other people and their belongings.
