## Headteacher Blog

I hope you like the new style of newsletter. I share these photographs each week on our twitter feed so thought it would be great to share as photographs instead of just names.

**Sponsored Walk 2021** - what a great morning last week! Enormous thanks to all the families who continue to support Trerobart with the absolutely amazing amount of money being brought into school, you have raised £2 104.52! I have been a part of Trerobart for eight years and this amount is record breaking! This is more than when we have received match funding from Barclays Bank. We have a wish list of books for each class and with this amount of money raised we will be able to fulfil everyone's wishes, we are all truly thankful for your support.

**Children in need** - The children enjoyed this annual event, wearing pyjamas and pudsey clothing as well as raising money through donating what they can and also buying raffle tickets. Congratulations to the winners seen here. Enjoy your treats and especially those fantastic new books. Mince Spies is a great read for all the family!

**Carol Concert** - This year we will be holding a traditional carol concert. Due to current covid-19 restrictions, this event will take place outside on the school yard. It will be a standing event and will last no longer than 45 minutes. We will be charging a £1 entry fee which will include a mince pie and a hot drink. Tickets will be available to buy from the class teacher from **Mon 29th November**. **Tickets will be limited to 2 per family**. There will also be a raffle at each performance. The gates will open a few minutes before each performance in order for you to collect your drink and mince pie.

**Carol Concert Friday 10th December**

**Storyville Bookshop, Pontypridd** - The whole school has been very creative this week creating items to be added to the shop window to create a scene to depict The Nutcracker. Please visit if you are able to see how talented Trerobart children are. Huge thanks goes to Mrs Davies and the Creative Team for all their ideas and hard work in putting this challenging project together. We are so very proud of you and the children. More photographs can be seen on twitter.
