

Parent Perception Survey Outcomes Autumn 2018

Thank you for taking the time to complete our survey. I have looked at each of the completed surveys and counted your responses to provide the outcomes below.

The figures are rounded to the nearest whole number and are based on 23 returns.

I am grateful to everyone who completed the comment boxes as this provides me with information on aspects we can celebrate and more importantly aspects we need to work on.

As part of our evaluation I have written a response to say what we are doing to improve in the areas identified and also to clarify what we do in other areas.

We appreciate your views and opinions and the time you take to support us.

Best wishes Mrs Buckle
